

The Ocean County Utilities Authority

Helping to Preserve the Water Resources of Ocean and Southern Monmouth Counties in the State of New Jersey

A Warm Welcome to Our Newest OCUA Staff Members!

September 25, 2025 – A warm welcome is extended to the third quarter new hires at the Ocean County Utilities Authority. Human Resources Director Avril Limage proudly introduced our newest employees to the Board of Commissioners at the September 25, 2025 Public Meeting.

This tradition puts names to the faces of our staff and helps emphasize the important role each person plays in the Authority's mission to preserve and protect the waters and the environment of Ocean and Southern Monmouth Counties.

We are confident that each new employee has a bright future ahead, and we look forward to their contributions toward our continued success!
